

KELLER HIGH SCHOOL CHORAL DEPARTMENT

2022-2023

Dear Choir Parents and Guardians:

It has been our experience that all choir students want to be a part of a quality choral program. It is our sincerest desire to offer just that to your child. In order to be even more productive by staying well informed, we would like to send you the newsletter and other important dates and information by e-mail. Please note your e-mail addresses when filling out the Medical/Insurance sheet.

We encourage you to take an active part in your child's music education. There are many opportunities for you to volunteer to help with the tasks required to run our organization. Please feel free to join in by letting one of the choir directors or a booster club officer know when you see something you could do. We believe that by working together, we will ensure the future success of the Keller High School Choirs.

Sincerely,

Mrs. Chi-Chi King &

KHS CHOIR PHILOSOPHY

“Today’s Preparation Determines Tomorrow’s Achievement”

Music is a universal language that can destroy prejudice, class barriers, and personality differences. People from different cultures and backgrounds, striving for musical excellence, can achieve an ultimate, aesthetic experience that will enrich them for their entire lives.

In singing, we use a human instrument for an exciting and challenging means of expression and communication. Many skills must be developed in order to produce beautiful music. While we do not expect every KHS Singer to be a virtuoso musician, we do expect every singer to establish both short and long-range goals for improvement in choral singing. We do expect from one another responsible actions, a team attitude, and a commitment to the success of the year through self-discipline.

AREAS OF STUDY

The students will study the following areas of choral music in compliance with the TEKS (Texas Essential Knowledge and Skills) as prescribed by the Texas Education Agency:

1. Vocal Techniques
2. Choral Techniques
3. Sight Reading
4. Self-Expression and Creativity
5. Singing in English and a variety of foreign languages including:
Latin, Italian, French, German, Spanish, Hebrew, Russian, and others.
6. Music History and Literature
7. Music Theory
8. Performance Opportunities

GRADING CRITERIA

1. Class Participation and Daily Demonstration of Rehearsal Skills
2. Concert Attendance
3. Written Exams and Assignments
4. Sight Singing Tests; Singing of Choral Literature Tests
5. Listening Examples

Extra Credit may be given for attendance at professional/community music performances. The student must write a 1-page synopsis of the concert.

Don't forget “no pass, no perform.” Any performance which takes students off-campus is considered extra-curricular and grades will come into play. Working hard this year on ALL courses and getting PASSING grades will ensure that no student misses out on extra-curricular events (i.e. All-State Competitions, UIL Contests, Choir trip, etc.).

A Student's position may be in jeopardy should there be a question of eligibility at any time during the semester. Constant evaluation means that a student may move from one ensemble to another during the school year if that student either excels or fails to meet the expectations.

*** PERFORMANCE ATTENDANCE**

Attendance at choir concerts and singing events (i.e. pep rallies, graduation ceremonies, etc.) is **MANDATORY** and is counted as a major exam grade. A written excuse from a doctor/parent must be given to the director within 5 days of the absence regardless of the reason for absence (illness, death in the family, etc.). Any other requests such as work or appointments are not considered emergencies and are not acceptable excuses. Remember, you are a student first, NOT a full-time employee.

A choir student may make up an excused absence through 2 methods: writing a 3-page paper on a subject pertaining to the missed performance which the director will assign OR performing the music of the missed concert.

** Please do not upload a recorded video of KHS Choir performance to YouTube or any public domain.*

UNIFORMS

All Choir students will pay a \$85.00 choir fee this year and a portion of that fee goes toward the rental of the choir uniform. Students will be assigned their dresses/tuxes on a 1st paid basis at the **CHOIR REGISTRATION** on Saturday, August 27 (9am-11:30am Jrs/Srs; 12:30pm-3pm Soph/Fresh).

PRIVATE VOICE LESSONS

Students are highly encouraged to take private voice lessons from our qualified voice teachers during class time or after school. Forms will be handed out in class. As a courtesy to your voice teacher, please call or leave a message if you are unable to attend a lesson. Otherwise, you may be charged for that lesson. The cost of a lesson is determined by the teacher and runs between \$20-\$22.

CHOIR TRIP

The KHS Choir takes a trip every year. In the past we've traveled to Orlando, Los Angeles, Hawaii, and Europe (England, Italy, France), as well as San Antonio, Corpus Christi, and Galveston. In March 2017, the Varsity Treble Choir performed for an international audience at the National Conference of the American Choral Directors Association in Minneapolis. Honolulu was the destination for the 2018 trip, Disneyland Los Angeles for the 2019 trip, and Disney World was last year's trip.

On April 14-16, 2023, the choir will travel to Branson, Missouri where we will open for 2 professional shows. Some of the activities include lunch cruise on the riverboat, Branson Belle, shopping at Branson Landing, and much more!! More details will follow.

CLASSROOM CELL PHONE POLICY

Cell phone use during class is not allowed without teacher permission. Students choosing to bring a cell phone to class will place them into silent mode and check them in to an assigned space after the tardy bell rings and will have the opportunity to retrieve them when class ends.

Cell phones may only be used during the following times:

- 1) At the beginning and end of class to document any upcoming assignments/concerts
- 2) Teacher designated assignments/activities where cell phones can be a helpful learning tool
- 3) If a student has not placed a cell phone in their assigned space, the student is declaring they do not have a cell phone in their possession. If the student later has a cell phone visible during class, then it will be collected by the teacher and turned in to the office to be handled in accordance with KHS policy.
