Scholarship Eligibility Requirements:

For a student to be eligible for a scholarship their senior year, these requirements must be met throughout their high school career:

- Parents must be a member of the choir booster club at least 2 of the 4 years that their child is in high school (minimum donation of \$50), and
- Parents must volunteer 15 hours in each of those two years (or 30 hours can be served across the 4 years of high school), or
- Parents can donate at the Maestro level or higher in each of those two years to waive the volunteer hours requirement (minimum of \$250)

SignUp.com will be our system of record for event volunteer hours, and booster meetings will count toward hours. Special circumstances may be considered for scholarships.

The Choir Booster Board hopes you will join us in supporting our kids and this incredible program. Not only will you be helping the choir, but you will have a lot of fun doing it alongside other parents just like you. It's a great way to get out, meet new people, and make new friends!
